Letter No. T. A. 212, dated 11th February 1933, from the Comptroller, pointing out the anomaly in the two Articles 612 and 613, Mysore Service Regulations and requesting modification thereof.

ORDER No. FL. 1134-5—S. & A. 314-32-2, DATED BANGALORE,  
THE 26—28TH AUGUST 1933.

The Comptroller points out that if leave follows transfer, travelling allowance is admissible under Article 612, whatever the nature of the leave is, provided it does not exceed four months while if transfer follows leave no travelling allowance is admissible under Article 613 unless the leave be Privilege or Examination leave. Government consider that there are no adequate grounds for this distinction and are accordingly pleased to direct that in modification of the abovementioned rules, an officer be allowed travelling allowance from his old to his new station, whether the leave precedes or succeeds the transfer, provided that the leave be for not more than three months.

Necessary addenda and corrigenda slip to Mysore Service Regulations will issue.
